

COLORBOND® AND ® names are registered trademarks of BlueScope Steel Limited. Over time performance may vary between COLORBOND® Steel and Interpon Powder Coatings due to the different paint technologies used. The colours displayed on this card are a guide only and have been matched as close as possible to Interpon® production standards as modern printing processes allow. Due to the nature of printing processes, some degree of colour and gloss level variation may occur. Tasman Windows & Doors recommend the viewing of an aluminium colour swatch prior to order.
